September 2, 2016

When you live in New York City, there can never be enough restaurants to choose from. The Zagat Guide, the New Yorker foodie bible, just released an article (<https://www.zagat.com/b/new-york-city/the-45-most-anticipated-nyc-restaurant-openings-of-fall-2016>) about the 45 most anticipated restaurant openings for Fall 2016. We did a little digging and narrowed the list down to the top 5 restaurants that we can't wait to try this fall.

For love of Crazy Shakes + Central Location

Black Tap Craft Burgers & Beer (<http://blacktapnyc.com/>), set to open inside the Blakely Hotel in October 2016, will be Midtown's newest fan favorite. With choices from craft burgers to crazy shakes, (that look exactly how they are photographed) there is no doubt that you will become a return customer. If you follow foodies on social media you've probably seen pictures of their legendary shakes before. Now, pick up your jaw off the floor and make your way over to Soho or the Meatpacking District!
